Sakura Serves The Finest In Japanese Cuisine

The word "authentic" is the best to describe Sakura Japanese Restaurant. They offer the finest Japanese cuisine prepared with the freshest foods possible.

Sushi is a house speciality — the fish and shrimp are picked up daily at the market. There are several to select form such as the California roll (vegetable), the New York roll (shrimp, radish and cucumber) or tuna, shrimp, octopus, squid, crab, salmon and a combination of these varieties.

Sakura's homemade egg rolls and dumplings will be a welcomed treat to those who are looking for a truly authentic taste of Japan.

Lunch specials are available Monday through Friday between 11:30 a.m. and 4:30 p.m. You can expect a filling lunch priced under $6. Order a vegetable, chicken, shrimp or beef bowl with steamed rice or noodles. You may also create your own combination with any of these bowls.

Dinner at Sakura offers these same great rice or noodle bowls plus so much more. Entrees such as teriyaki vegetables, chicken, shrimp, fish, scallops or steak are favored by many who have already discovered Sakura.

Combinations are available that include your choice of teriyaki, California roll sushi and vegetable tempura. Enjoy the traditional Japanese green tea along with your meal to complete your experience.

You will want to sample the Miso soup and order one of the Udon (noodle soups) to accompany your meal — choose from chicken, beef, shrimp or vegetable Udon.

Sakura is located at 8465 Waters Avenue (at the intersection of Waters Avenue and Montgomery Crossroad). They are open Monday through Thursday 11:30 a.m. to 9:30 p.m., Friday and Saturday 11:30 a.m. to 10:30 p.m. and Sundays noon to 9 p.m.
